

src/server/include
/handler.h

```
graph BT; A["src/server/include/server.h"] --> B["src/server/include/handler.h"]
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'src/server/include' on the first line and '/handler.h' on the second line. The bottom box is white and contains the text 'src/server/include' on the first line and '/server.h' on the second line. A blue arrow points vertically from the top of the bottom box to the bottom of the top box, indicating a dependency or relationship from server.h to handler.h.
